CORPORATE CAPABILITIES

American-Made · Fully Integrated · Quality Assured

MADE IN USA

DeKalb, Illinois Manufacturing

Every UWC product is manufactured at our DeKalb, Illinois facility, supporting American jobs and dependable domestic supply chains.

- 100% domestic production
- Tariff-stable pricing
- Short, predictable lead times

VERTICALLY INTEGRATED

End-to-End Under One Roof

From copper rod drawing through insulation extrusion, finishing, and logistics — every step happens in-house for tighter quality control.

- Own copper drawing & annealing
- In-house extrusion & jacketing
- Full process traceability

QUALITY ASSURED

ISO 9001:2015 Certified

Our quality management system is independently certified to ISO 9001:2015 — every spool meets rigorous, repeatable standards.

- Independently audited
- Documented procedures
- Continuous-improvement program
